Dear Parents and Guardians:

It is always wonderful to have summer vacation for a much needed rest and well deserved respite! We will then be re-energized for the school year and continue on the path to individual and community success!

We are exploring some new activities for implementation into our program. Some will take place gradually so the Accreditation Process will not be deterred. We will be in the process of establishing a Science Resource Center for Teachers to utilize. Also, Activity Blocks will be added on a bi-monthly basis for enrichment purposes and enjoyment. More information will follow as soon as possible.

School will begin on Aug. 29th for Grades 1-8. Please see the enclosed Tentative Calendar for more information. Each family will receive a packet on the first day of school. Included will be more specific data and a September Calendar. Please use the monthly calendars as planners; as the information will be more timely.

We are in the process of exploring a Before School Program. If there is a need (coverage at 7:15-7:45a.m.), with interest from at least 10 families; one of Immaculate's staff members will cover the program. The cost will be \$1.00 per day. Please fill out the form at the end of this letter and return it to school. I will let you know as soon as possible!

The school day begins at 7:55a.m. and ends at 1:55p.m. Tardies will be monitored very closely and consequences imposed. The Handbook is on our Web Site. Please read and bring the Parent Response to school. If you wish a hard copy, please ask the front office.

School will be in session for half-days on August 29th and 30th, (Gr. 1-8); with dismissal at 11:30a.m. Friday, Aug.31 and Monday, Sept.3, the school will be closed We will re-open on Sept.4 and full days will begin. “Kids Club” will also begin on Sept. 4th(until 5p.m.)

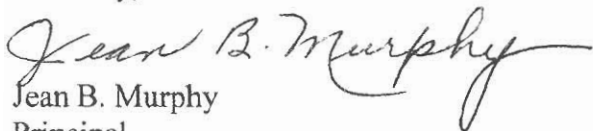

Pre-K(8:30-9:15) and K(9:30-10:15) will hold Open House on Aug.30th. Then, they will begin full days on Sept. 4th.

Please note as our Site Visit for Accreditation draws closer, the school will be closed so the Teachers and I can finish the Self- Study. Thank you for your patience!

Please tell your child/children that I was asking for them and look forward to seeing them soon! It is our job as Parents and Catholic Educators to make our children/students "instruments of God's love." May we make ourselves proud!

If I may be of further assistance, please feel free to call.

Sincerely,

Jean B. Murphy
Principal
