December/January 2007/2008

Dear Parents/Guardians:

"The Song of Christmas rings in my Heart. The Spirit of Christmas fills my Soul."

What a wonderful season we will enjoy! Now we have another chance to renew our commitment to Jesus. We must "Teach as Jesus" does and set His example in all we do! This is indeed a tall order but with Christ's help and grace, we can accomplish all good things!

Wonderful news about our Kitchen Facilities! Thanks to the Development Committee, a new Industrial Freezer and Refrigerator were delivered last Friday(December 7th). To all of you who contributed to this success, may your generosity be blessed ! Soon, thanks to the Home/School Board, a new stove will be added to the beautiful décor and be in place during Christmas Vacation. May your kindness be rewarded also and thank you for all your diligent work in obtaining this new equipment for our School. Kudos to each one of you!

As most of you know, "Catholic Schools Week" is celebrated the end of January with a week of activities to congratulate ourselves on a job- well done! Please note the every day activities on our January Calendar. The most important is on Sunday, January 27, when we have our Opening Mass at 9:00a.m. Grade 3 will be helping Father celebrate the Mass. An Open House for all New Families interested in the school will immediately follow the Mass. It will begin in the cafeteria and take place until 1:00p.m. Please encourage your friends and relatives to attend. They will love the Immaculate!

We pride ourselves on the Community Outreach Program, especially utilized during "Catholic Schools Week" Some of the classes plans are as follows. More details will be forthcoming. K- Valentines for Retired Religious

- 1- Cards to Soldiers at Walter Reed Hospital
- 2- "Toys for Tots"
- 3- "Children are Angels from Heaven"
- 7- "Chocolate Heaven"- Sunday January 27th to benefit Dana Farber and "Pennies for Patients"

Wishing you a Merry Christmas and a Happy New Year!

Sincerely,

Jean B. Murphy
