Walk A Thon

The Walk a Thon was a huge success – **Thank you to all for your participation and generosity. We netted \$6800 after expenses!** Thanks to the teachers and staff and volunteers for their help and to Martha Rainville & Kim Mahoney for making sure the day ran smoothly.

All money from the Walk a Thon went to supplies for the kitchen/serving area and a new floor in the computer room. If anyone is interested in seeing what was purchased, we would be happy to provide you with a list. The last bit of business for the kitchen/serving area for now will be cupboards along the wall in back.

Volunteers 2010-11 School Year

It is the schools expectation that every family volunteer for one event/committee/school activity next school year. Look for information in the packet you will receive in August for specifics and sign up opportunities. Events and programs that the kids enjoy cannot be run without parent participation.

2010-11 Fundraising

We will be working a schedule of events and fundraisers for the next school year at the June meeting. Please e mail us with any ideas or let us know if you can attend, as this meeting is usually held at a members house.

Have a great summer!
