January 2010

“WISEMEN STILL SEEK HIM”

Dear Parents and Guardians:

Happy New Year! We at the Immaculate wish you and your family a very holy and Happy New Year.

Did you know that if you have a latex allergy, be careful around poinsettia plants. These popular Christmas plants contain a compound similar to that found in rubber latex and can cause a severe allergic reaction.

The year is filled with excitement and it should be as we begin anew. We remind you again to make sure that your children are dressed appropriately for the weather-boots, hats, winter jacket and gloves or mittens. We will allow the children to go out for recess weather permitting.

Also, an update that the flu has seemed to subside in our school. Hopefully this will continue. Usually during February there is an outbreak so please remind your child to continually wash their hands and to cough and sneeze in their shoulder area. This has been recommended by the Board of Health and other agencies.

Upcoming Events in January

- | | |
