“ The Blessed Virgin Mary is the Gateway into the Heart of Jesus”

Dear Parents/Guardians:

The Visiting Committee from The New England Association of Schools and Colleges completed their visit on April 9th. All went well and we enjoyed showing off our school. As soon as our Accreditation is approved, I will let all of you know. Thank you to all who participated in this process, especially the Teachers and Staff, who worked diligently for two years on the self-study and goals for the future!

As we prepared for the Visiting Team, one of our parent's , Mrs.Weitz, knew we wanted our blue walls painted in the hallways. She is a painting contractor and volunteered to do the walls and outside doors(holidays and evenings) for us. They look fabulous and we certainly appreciate her selflessness and generosity!

On April 28, Historical Perspectives will Present Abe Lincoln. All are looking forward to this program, as Historical Perspectives is excellent. Please note the Home/School Board is having a Yard Sale on May 3. Come and find some treasures! We are also looking forward to the Science Fair/Arts Festival on May 20th.More information will follow.
