“The Gift of a Loving Heart at Christmas is truly the Greatest Gift of All”

Dear Parents/Guardians:

Thanksgiving is upon us and we at the Immaculate are truly thankful for all we have! You, our students, colleagues and most of all our Families and Friends fill our hearts with gratitude. Please enjoy every minute of this special day!

Enclosed in the family envelope are special celebrations for The Advent Season! I know you and your child/children will gain special insight into this most beautiful season!

Please make sure you join us on December 2, for The Christmas Fair. Every year this is a fabulous beginning to December! The Home/School Board works very hard to make this event successful and enjoyable. Please support their extraordinary efforts!

For those of you who wish to apply for scholarship money from the Catholic Schools Foundation for 2008-2009, the applications are now in the front office. Please stop by at your earliest convenience as there are important deadlines to meet.

A reminder to Grade 8 Parents: The Catholic High School Exam will take place on December 8th. Our students should do well, especially if they attended Mrs. Gallotto's and my after school prep-program.

Many of you have asked me about how the Terra Nova Achievement Test compares with the MCAS. I have assured you that if students do well on the Terra Nova, they will do well on the MCAS. Many of our graduating students from past years have done very well on the MCAS. The vast majority have scored in the Advanced Category! Quite a testament to the Immaculate Teachers and Students!

Wishing you all the Peace and Joy of this Thanksgiving/ Pre-Christmas Season!

Sincerely,

Mrs. Murphy
