“Gratitude is the Memory of the Heart”

Dear Parents/Guardians:

We had a wonderful day at The Walk-a-Thon! All the students and faculty did a super job! A good amount of money was raised and the Home/School Board will be sending out a follow up letter with the exact tally. One of the most memorable moments was the Grade 8 students and Pre-K. They walked together and shared many kind, compassionate gestures. We were all proud of Grade 8. They not only displayed maturity but the ideal young Catholic/Christian person. You should also be proud of your Grade eight students!

As part of our readiness for Accreditation, First Aid and CPR classes have been added to the Faculty schedule. Some of the training will begin on November 5th and continue until we are all trained. Mrs. Gallotto, (Grade 8 teacher), who is a certified instructor, will conduct the classes.

November 1st is the feast day of All Saints. Grade 4 will be preparing the Mass, with the assistance of Mrs. Normandin and Sister Joan. Grade 5 will do the Thanksgiving Mass, on November 21st with the help of Mrs. Farias and Sister Joan.

May you enjoy your Thanksgiving with family and friends and be grateful for our Immaculate Conception School!

Sincerely,

Mrs. Murphy
