

Christmas Fair Bake Table

We are asking that every family make an effort to bring something for the bake table. Suggestions; home made pies, cupcakes ,quick breads(banana,cranberry,pumpkin) homemade candy, brownies, and cookies. You may package the items in small bundles (3 cookies, 2 bars) or leave them for individual sale. Last year, we received some items in decorative tins, boxes, bags or packages with ribbon, although this is not necessary, it is helpful and makes a nice presentation.

Please label your goodies as well with special attention to nuts so that everyone can enjoy your efforts. In order to give us time to price, organize and set-up the table, it is very helpful if the majority of items are brought in advance, the day before the fair.

Drop off Date: Saturday, December 1, from 9-11a.m. Items can also be dropped off Sunday, the day of the fair as well.

Any questions, please contact Denise Perrin 978-452-4823.
