

February/March

Dear Parents and Guardians:

Hope everyone is enjoying this nice winter weather. We have been very blessed so far. Father has asked everyone to pray every day a "Hail Mary" for a special intention.

Thank you all for attending the various activities throughout the Catholic Schools Week. We had many families visit and we are so blessed to have so many positive and supportive parents of ICS.

CONGRATULATIONS TO OUR FACULTY WHO HAVE BEEN NOMINATED FOR the EAA TEACHER OF THE YEAR: Mrs. Sue Normandin (K-4) and Mrs. Kelly Farias. (5-8)

We are very excited as our classes are filling up. If you have not done so, please submit your registration form and fee. Please also notify us if your child will not be attending our school next year so we may open that seat to a new student. **We have closed grade 3 and grade 5 for next year with a waiting list for grade 5.** We will wait to hear until February vacation from current families before filling their seat.

There will be no choir until further notice. Mrs. Krieger had to go out of town on a family matter. She will notify students when she is back. Students can sing at the Mass with Ralph if they wish.

UPCOMING EVENTS
