

Come to the Little Elves Workshop

Sponsored by the 8th Grade

Dear Parents/Guardians,

The Little Elves Workshop will be held during the school day during the first week of December 2007. The Little Elves Workshop is a chance for the children to shop for Mom, Dad, Grandparents, brothers, sisters, and friends. The workshop is set up like a mini store with items such as ornaments, Nativity set tea lights, Christmas pins, necklaces, picture frames, Christmas socks, pet items, just to name a few. All items range in price from \$1.00 to \$5.00.

Please send your child in with an envelope with money to spend (or check made payable to ICS 8th Grade Class Trip). Adults and 8th Graders, (also known as the "Elves") will be on hand to help your child shop. Also, list on the envelope who the child is shopping for. (For example; Mom, Dad, brother (age 8), sister (age 5)). This will help us help your child. All your child's purchases will be wrapped. In the envelope, please include the gift tags already filled out for your child's purchases. Our Elves are ready for your child's shopping needs!

If any Moms and Dads are available to help out, this "elf" would appreciate it! Please call Celeste Pacht at 978-453-3795.

Watch your child's backpack for reminder flyers with dates as to when your child will be shopping.

All proceeds from the sale benefit the 8th Grade Class Trip to Washington, D.C.
