OCTOBER 2 0 1 1

It has been a very fun and busy few months on the ICS social and event calendar- just check out some of the pictures we posted on our bulletin board! We've had some great events at Chuck E Cheese's and LaserCraze. Maybe you were able to join us and get your game on with a sugar high at the Dessert Party & Game Night, or perhaps you participated in getting pledges for the Annual Walk-A-Thon. Whatever your involvement, we could not have run successful events without our volunteers. They are the key to making fun for the school community and their donation of time is truly priceless! The members of ICSPA would like to thank them for a job well done!

That's a lot of cheese!**

We will begin selling our Cash and Prize Calendars throughout the month of November. Be on the lookout for calendars and registration forms for you to sell to friends & family. We had some wonderful prizes donated this year. At only \$5 each, they're a great gift. Prizes will be drawn every day in December. This fundraiser helped us raise over \$3000 this past Spring. With your help, we hope to be able exceed that number this time!
