

June 10, 2022

Dear Parents,

Happy summer vacation!! We are writing to let you know that your child's access to IXL Learning will remain active through the summer, and we are encouraging all students to log in and take advantage of the **Summer Boost Skills Plans** and/or work within the **Diagnostic Arena**. Either option is an excellent resource to prepare for the upcoming school year.

The **Summer Boost Skill Plan** is focused on building your child's fluency in math and ensuring that they have a solid understanding of the foundational skills from this past year to be prepared for the upcoming year. To access the Summer Boost Skill Plan, students should log onto IXL and select Skill plans from the toolbar.

The **Diagnostic Arena** will recommend the math skills that your child is ready to learn next and provide guided practice problems for these skills. This is a great opportunity to work on closing gaps in learning or providing a challenge to those who are ready. This option will be familiar to your child as they have been working in the Diagnostic Arena this past school year.

To encourage our students to stay connected with IXL this summer, we are offering a summer incentive program. Students who work in IXL for a minimum of 15 minutes per day for 20 days this summer will earn a free ice cream when they return to school in September. Students can complete the enclosed log, which will need your signature, and can return this to their teacher on the first day of school.

We wish you all a happy and healthy summer!

# IXL Summer Challenge

*At least 15 minutes per day for 20 days will earn you ice cream in September!*
